

FSE Risk Management Solutions Announce New Service for Hedge Fund Managers

Metairie, LA (May 28, 2008) –Risk Management Solutions (RMS) announced today they are offering a (10) ten year background investigation to all Hedge Fund Managers to assist them in finding employment. With RMS's boutique offering of worldwide public record research, Risk Management Solutions, a division of FSE, LLC, is a leading provider of background investigation solutions. Their team has over 40 years combined experience in the industry, having handled thousands of investigations across the globe.

The process, the Fund Manager purchases the report from RMS and RMS will offer confirmation services to any perspective employer the Fund Manager is interviewing. RMS will independently verify the information in the report to the potential employer and confirm the process. The report will contain public records, regulatory agencies, media, and education and past employment verification, all in an easy-to-read report. This offer is open to all fund managers, domestic and international, and is good for six months from the date of the completed report.

“With all the fraud that is taking place, our reports can be part of the interviewing process for the Fund Manager. We believe that our reports will make the Fund Manager more attractive to the employer; it will show the employer that the prospect is in good standing, and had the foresight to conduct the due diligence. Which manager would you hire: the one with the background check or the one without?” says Ted Fox, President of FSE, LLC – Risk Management Solutions.
