

Environmental Lien Search

Or

Chain of Title 50, 75 or 100 years!!

Or

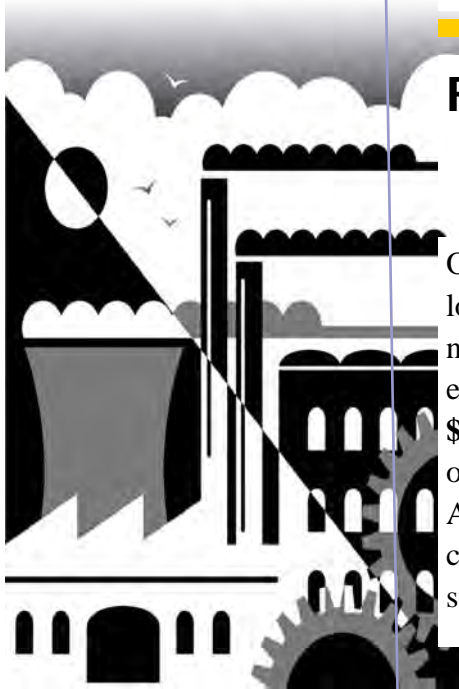

Owner & Encumbrance Searches

IMPORTANT

Pass this to someone

In your company

That has a need!!!!

FSE, LLC – Risk Management Solutions

Fastest In-Courthouse Research Company!!

Our research is conducted in the county courthouse where your property is located. We are not reliant on database information. **FSE, LLC** has a network of over 12,000 courthouse abstractors and can produce any environmental lien search in **2 to 4** business days. Our cost is **\$99.00** and **\$10.00** for the copy of the deed. Our search is conducted from the current owner forward and the information is presented in an easy-to-read format. Ask about our Chain of Title and Owner and Encumbrance reports that comply with ASTM standards. Great pricing and turnaround time; our staff has over 40 years of experience.

Save \$10.00 off your first report up until October 31st Act today!!!!!!
